SARPIF is an interest group
of merchants and retail service organisations
which seeks to identify improvements
in the area of payment
for both the consumer and business
and to motivate these to the appropriate bodies,
including financial institutions, the SA Reserve Bank
and Government

New ways of working together

- For the benefit of our mutual customer
- Confrontation to co-operation
- Distinguish competition from co-operation
- The participants are:
 - Merchants
 - acquiring institutions
 - issuing institutions
 - card companies
 - central bank
 - regulatory authorities

Focus

- Infrastructure
- Financial Risk
- Integrity
- Security
- Communication
