

Untitled

Hi All,

I would really like to urge each of you to register and take advantage of the information and various interactive tools on offer on the SME Toolkit (<http://sa.smetoolkit.org>).

I can brag for days about how great the Toolkit is, but for me... the most important goal of all is how it can empower any entrepreneur.

ALWAYS BE THE BEST THAT YOU CAN BE & SHINE!!!

Kind Regards,

Fatima Mamdoo
Portfolio Manager
West Rand
