

Watch out for the Flying Squad!

As the weather improves and the guests start streaming into your establishment, so too do the flies.

Trust the experts to get rid of your "flying squad" this summer.

Rentokil understands the problems flies can cause a business, particularly in the summer months. Our unique and improved range of Luminos fly control units offers discreet and effective control against flying insects.

Why not take advantage of our promotional offers this season?

For a fly free season call 0800 RENTOKIL to arrange a FREE survey.

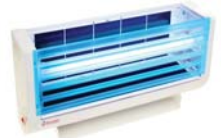

Alternatively SMS "FLY" to 082 498 8736 and we'll call you back.
